

Dear Valued customer,

Due to the increased security risks and marine war risk, insurance premium for all vessels calling ports in Israel has been increased.

To ensure we are able to continue providing services, the War Risk Surcharge (WRS) for OOCL shipments to/from Israel to all destinations except USA ports will therefore increase to **USD 35/TEU**, effective immediately.

For USA shipments effective date of the increased WRP is November 15th

Always at your service

Best Regards

Adi Hovav
